

# IT Expertise. as a service

Why pay for costly in-house Information Technology services? OneZero offers our industry-recognized virtual CISO, virtual CIO, and compliance support services at a fraction of the cost.

**We focus on your technology.  
You focus on growing your business.**

## CISO AS A SERVICE

Leverage our seasoned cybersecurity expertise to achieve operational efficiency in a secure environment. Our experienced security leaders incorporate the latest technologies to protect your company from threats such as data breaches, ransomware, and other cyber crime activities.

## CIO AS A SERVICE

Our Chief Information Officers provide strategic direction to your organization. We will assess your current technology environment, discuss your vision and goals, design and implement a secure IT infrastructure, and realign your organization with a digital first mindset.

## GOVERNANCE, RISK MANAGEMENT & COMPLIANCE

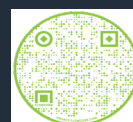

Our GRC experts will assess your cyber risk and compliance requirements, identify gaps and inefficiencies, and develop and deploy optimized, cost-effective solutions.

## ABOUT ONEZERO

OneZero Solutions is a Managed Service Provider that is problem-solving and solutions-oriented. Our Managed IT offerings will enable you to focus on your business operations and growth while we focus on your technology. We provide robust and scalable information technology services to ensure you are getting the most from your IT infrastructure and investments.

Our industry-leading security experts have designed and implemented some of the largest secure networks in the world, and have implemented and managed numerous large-scale, enterprise-wide infrastructures focused on strategic compliance factors across multiple government and private sector organizations.

With our people first approach and methodology, we create customer-centric environments leveraging technologies to increase productivity throughout the workforce. Our professional, knowledgeable and experienced personnel strive to provide superior service and unparalleled results to our customers.
