

# Cybersecurity Operations

The protection of information and infrastructure has never before been at such a premium. OneZero specializes in providing premier services within the cybersecurity arena.

**We focus on your security.  
You focus on your mission.**

## SECURITY OPERATIONS CENTER SUPPORT

OneZero can help manage and monitor your logs, devices, cloud environments, networks, and assets to combat and manage cyber threats.

## SECURITY ARCHITECTURE DESIGN & DEVELOPMENT

Our team designs and implements security architecture according to applicable standards and frameworks to protect the security of your data.

## VULNERABILITY & SECURITY ASSESSMENTS

We evaluate your system for any known vulnerabilities, assign severity levels to those vulnerabilities, and recommend any remediation or mitigation.

## MALWARE ANALYSIS

OneZero's cybersecurity professionals utilize advanced malware analysis techniques to identify and mitigate malware designed to evade detection.

## PENETRATION TESTING

Our team can simulate a cyber attack against your computer system, scanning your system for exploitable vulnerabilities.

## DEVOPSSEC

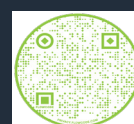

We integrate secure development best practices and methodologies into development and deployment processes for your software development lifecycle.

## ABOUT ONEZERO

OneZero Solutions is an Information Technology (IT) and Cybersecurity services provider that is problem-solving and solutions-oriented. Our Cybersecurity Operations offerings will enable you to focus on your business operations and growth while we focus on your technology. We provide robust and scalable information technology services to ensure you are getting the most from your IT infrastructure and investments.

Our industry-leading security experts have designed and implemented some of the largest secure networks in the world, and have implemented and managed numerous large-scale, enterprise-wide infrastructures focused on strategic compliance factors across multiple government and private sector organizations.

With our people first approach and methodology, we create customer-centric environments leveraging technologies to increase productivity throughout the workforce. Our professional, knowledgeable and experienced personnel strive to provide superior service and unparalleled results to our customers.
