

Cybersecurity Risk Management

Organizations need an experienced and trusted partner to counteract the increasing risk of cybercrime and corporate espionage, and to keep up with increasing regulations.

**We focus on your technology.
You focus on your mission.**

CISO AS A SERVICE

Our security leaders incorporate the latest technologies to protect you from threats like data breaches, ransomware, and other cyber crime activities.

CYBER RISK & COMPLIANCE MANAGEMENT

OneZero establishes risk-based controls to protect your network and data integrity, confidentiality, and accessibility.

CYBERSECURITY RISK ASSESSMENT

We evaluate your system for any known vulnerabilities, assign severity levels to those vulnerabilities, and recommend any remediation or mitigation.

COMPLIANCE ASSESSMENTS

Our cybersecurity professionals can help you comply with industry and government standards for IT security by assessing your current environment.

CYBER INVESTMENT ANALYSIS

Our team can help you establish a baseline, prioritize your resources, and continually analyze your return on investment.

CYBERSECURITY PROGRAM DEVELOPMENT

Our experts tailor a cybersecurity program with a coherent set of policies, processes, and systems required to meet your IT security needs and goals.

ABOUT ONEZERO

OneZero Solutions is an Information Technology (IT) and Cybersecurity services provider that is problem-solving and solutions-oriented. Our Cyber Risk Management offerings will enable you to focus on your business operations and growth while we focus on your technology. We provide robust and scalable information technology services to ensure you are getting the most from your IT infrastructure and investments.

Our industry-leading security experts have designed and implemented some of the largest secure networks in the world, and have implemented and managed numerous large-scale, enterprise-wide infrastructures focused on strategic compliance factors across multiple government and private sector organizations.

With our people first approach and methodology, we create customer-centric environments leveraging technologies to increase productivity throughout the workforce. Our professional, knowledgeable and experienced personnel strive to provide superior service and unparalleled results to our customers.
